

14th Asian Conference on Computer Vision: Advancing the Boundaries of Vision Intelligence

Mark your calendars for December 2024 as the 14th Asian Conference on Computer Vision (ACCV 2024) is set to ignite the vibrant city of Perth, Australia. This prestigious event promises to be a transformative gathering for researchers, innovators, and industry leaders at the forefront of computer vision.

Exploring the Cutting-Edge of Computer Vision

ACCV 2024 will showcase the latest advancements in computer vision, spanning a wide spectrum of research areas including:

Computer Vision – ACCV 2024: 14th Asian Conference on Computer Vision, Perth, Australia, December 2–6, 2024, Revised Selected Papers, Part I (Lecture Notes in Computer Science Book 11361)

Print length : 1136 pages

- Object detection and recognition
- Image and video understanding
- 3D vision and reconstruction
- Medical imaging and computer-aided diagnosis
- Autonomous driving and robotics
- Human-computer interaction

Renowned Speakers and Engaging Sessions

The conference will feature a stellar lineup of renowned speakers from academia and industry, sharing their insights on the most cutting-edge developments in computer vision. Attendees can expect engaging keynote addresses, thought-provoking panel discussions, and interactive workshops.

Unveiling Groundbreaking Research

ACCV 2024 will provide a platform for presenting original research papers that push the boundaries of computer vision. Researchers from around the

world are invited to submit their latest findings and engage in stimulating discussions with fellow experts.

Networking and Collaboration Opportunities

Beyond the technical program, ACCV 2024 offers a wealth of opportunities for networking and collaboration. Attendees will have ample time to connect with like-minded individuals, explore potential research partnerships, and forge valuable connections.

Experience the Beauty of Perth

Perth, the host city of ACCV 2024, is a thriving metropolis known for its stunning beaches, lush parks, and vibrant arts scene. The conference will be held at the state-of-the-art Perth Convention and Exhibition Centre, providing a world-class setting for this prestigious event.

Call for Papers and Registration

Researchers are invited to submit their full-length papers by the deadline of **March 31, 2024**. Early registration for ACCV 2024 will open in **June 2024**. Visit the official website at www.accv2024.org for the latest updates and registration details.

Don't miss this unmissable opportunity to witness the future of computer vision unfold and contribute to the advancement of this transformative field. Mark your calendars for ACCV 2024 and join us in shaping the next chapter of vision intelligence.
