- **France:** France has always been a talented team, but they have often underperformed in the Rugby World Cup. However, they have a lot of young talent coming through, and they could be a dark horse to win the tournament in 2024.
- **Ireland:** Ireland has been one of the most improved teams in world rugby in recent years, and they are now ranked third in the world. They have a young and exciting team, and they could be a threat to the favorites in 2024.

- **Australia:** Australia is another team with a proud history in the Rugby World Cup, but they have struggled in recent years. However, they have a new coach in Dave Rennie, and they could be a dark horse to make a deep run in 2024.

There are always a few upsets in the Rugby World Cup, and 2024 is likely to be no different. Here are a few teams who could cause an upset in the tournament.

- **Japan:** Japan shocked the world by reaching the quarter-finals of the 2019 Rugby World Cup, and they could be a threat to upset a few teams in 2024. They have a fast and skilful team, and they are known for their unpredictable style of play.
- **Fiji:** Fiji is another team who could cause an upset in the 2024 Rugby World Cup. They have a lot of natural talent, and they are known for their attacking flair. They could be a threat to beat any team on their day.
- **Argentina:** Argentina is a team who has always been capable of beating the best teams in the world, but they have often underperformed in the Rugby World Cup. However, they have a talented squad, and they could be a threat to upset a few teams in 2024.

The teams who are successful in the 2024 Rugby World Cup will be the ones who can execute their game plan effectively. Here are a few of the strategies that could lead to victory in the tournament.

- **Physicality:** The Rugby World Cup is a physical tournament, and the teams who are able to impose their physicality on their opponents will

have a significant advantage. This means having a strong forward pack who can dominate the scrum and the lineout, and it also means having a backline who are able to tackle hard and make big hits.

- **Discipline:** Discipline is another key factor in the Rugby World Cup. The teams who are able to stay disciplined and avoid giving away penalties will have a significant advantage. This means not making silly mistakes, and it also means not getting involved in unnecessary confrontations with the opposition.
- **Adaptability:** The Rugby World Cup is a long tournament, and the teams who are able to adapt to different conditions and different opponents will have a significant advantage. This means being able to change your game plan when necessary, and it also means being able to respond to the challenges that your opponents present.

The 2024 Rugby World Cup is shaping up to be one of the most exciting tournaments in history. With so many talented teams competing for the Webb Ellis Cup, it's impossible to say for sure who will come out on top. By analyzing the current form of each team, their recent history, their upcoming fixtures, and the strategies that could lead to victory, we can make some educated predictions about who is likely to challenge for the title. However, one thing is for sure: the 2024 Rugby World Cup is going to be an unforgettable event.
