Did you know that hippos sweat a blood-red liquid? Or that elephants can poop up to 100 pounds a day? Or that sloths only poop once a week? These are just a few of the disgusting things that animals can do.

This book is packed with over 50 of the most outrageous, yucky, and just plain gross things animals can do. From the smelly to the slimy, from the furry to the feathered, there's something for everyone in this book.

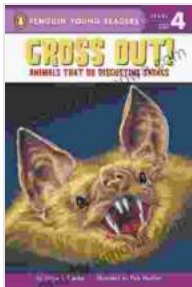

So if you're looking for a good laugh, or if you just want to learn more about the amazing world of animals, then this book is for you.

Here are just a few of the disgusting things animals can do:

- Hippos sweat a blood-red liquid.
- Elephants can poop up to 100 pounds a day.
- Sloths only poop once a week.
- Ants can lift objects that are 50 times their own weight.
- Cows can produce up to 10 gallons of milk a day.
- Snakes can swallow prey that is much larger than themselves.
- Lizards can change their color to camouflage themselves.
- Spiders can spin webs that are stronger than steel.
- Bees can communicate with each other through dance.
- Dolphins can use echolocation to find prey.

These are just a few of the amazing and disgusting things that animals can do. So if you're looking for a good laugh, or if you just want to learn more about the amazing world of animals, then this book is for you.
