

Attend the Groundbreaking 4th EAI International Conference on Industrial IoT 2024: Shaping the Future of Connected Industries

As the world races towards Industry 4.0, the Industrial Internet of Things (IIoT) has emerged as a transformative force, connecting machines, processes, and people in unprecedented ways. To stay ahead of the curve and harness the full potential of IIoT, the 4th EAI International Conference on Industrial IoT 2024 is an unmissable event.

Industrial IoT Technologies and Applications: 4th EAI International Conference, Industrial IoT 2024, Virtual Event, December 11, 2024, Proceedings (Lecture ... Telecommunications Engineering Book 365)

Print length	: 354 pages
Paperback	: 110 pages
Item Weight	: 7.8 ounces
Dimensions	: 6 x 0.28 x 9 inches

Virtual Event: December 11, 2024

Join us for an immersive virtual conference experience on December 11, 2024, where you'll connect with industry leaders, researchers, and innovators from around the globe. This exclusive event offers a unique platform to:

- Discover the latest advancements and trends in IIoT
- Learn from real-world case studies and best practices
- Network with experts and forge valuable connections
- Shape the future of connected industries

Who Should Attend?

The 4th EAI International Conference on Industrial IoT 2024 is designed for professionals and organizations involved in the development, deployment, and management of IIoT solutions. This includes:

- Engineers
- Researchers

- Technologists
- Business leaders
- Policymakers

Key Conference Themes:

- IoT Architectures and Technologies
- Industrial Big Data and Analytics
- Smart Manufacturing and Automation
- Cybersecurity in Industrial IoT
- IIoT Applications and Case Studies
- Industrial IoT Standards and Regulations

What You'll Gain:

By attending the 4th EAI International Conference on Industrial IoT 2024, you'll gain:

- In-depth knowledge of the latest IIoT technologies and trends
- Practical insights from industry experts and case studies
- Valuable networking opportunities with peers and thought leaders
- A deeper understanding of the challenges and opportunities facing the IIoT industry
- Continuing education credits (CEUs)

Call to Action:

Don't miss out on this exceptional opportunity to advance your knowledge and drive innovation in connected industries. Register now for the 4th EAI International Conference on Industrial IoT 2024. Secure your spot today and be part of shaping the future of IIoT.
