

Curious George Monkeys Around with Maple Syrup!

George had poured all of the syrup on his pancakes. Now there was no syrup left for his friend. But George had an idea. There were plenty of trees outside. All he had to do was tap them!

Curious George Makes Maple Syrup is the latest book in the beloved Curious George series. In this charming story, George travels to Vermont to learn about the process of making maple syrup. He helps tap the trees,

collect the sap, and boil it down to make a delicious golden syrup. Along the way, he learns about the importance of bees in pollinating the maple trees and the sustainable practices used in maple syrup production.
