The poems in this collection are arranged chronologically, so that readers can see how the genre has evolved over time. The earliest poems, such as the Iliad and Odyssey, are relatively short and simple, but they are no less powerful or moving than the later, more complex works. As the genre developed, poets began to experiment with different forms and styles, and they used epic poetry to explore a wider range of subjects.

In addition to the full text of each poem, this volume also includes helpful s and annotations that will help readers to understand the context of the poems and to appreciate their full beauty and complexity.

### **The Greatest Writers of All Time**

The epic poems in this collection were written by some of the greatest writers who have ever lived. These writers were masters of language and storytelling, and their works have had a profound impact on world culture.

- Homer
- Virgil
